– **Pre-Registration and Tattoo/Tag Clinic:**

*This clinic is where the committee assists the exhibitors in filling out their entry forms. Be sure to BRING YOUR ENTRY FORM WITH YOU. Committee members will check the tattoo/tag number, variety, breed, sex, and age of your animal. If you do not go to the pre-registration clinic, and there is a problem with your entry, you will not be able to exhibit at the fair. There is an opportunity at the clinic for your animals to get tattooed or tagged for free. After this date a fee of \$5 will be assessed to tattoo/tag your animals.

**** Roaster check in clinic is the 1st Sat. of June. Bring animals and receipt of purchased if you bought them.**

** They will be registered for the roaster class and tattooed if the tattoo is needed

Showmanship and Skill-a-thon:

Skill-a-thon: Consists of various stations that will test your knowledge on rabbits and/or cavy. Stations are **timed** and you will be judged on how well you know the information related to your project. Awards for First Year, Junior, Intermediate, and Senior age divisions for rabbits will be given. Awards for Junior, Intermediate, and Senior age divisions in cavy will be given. Overall Skill-a-thon Champion award will be given for both rabbits and cavy.

Showmanship: Judged one on one on how well you handle your animal, on your knowledge, and overall presentation. The judge is not examining your rabbit but rather judging you. You will be judged one member **at a time with the judge** **Your showmanship rabbit or cavy must be one that you are showing at the fair in 4-H.** For rabbits, senior and intermediates start the showmanship competition, followed by first year and junior. For cavy, the seniors are judged first followed by the intermediates and then the juniors. Champion of Champions in each specie will follow the completion of the regular classes. Awards are given at the conclusion of all age divisions. **Showmanship is mandatory for first and second year participants and highly suggested for all other age divisions because it will enhance your knowledge about your animal and project.** Showmanship may take all day so be prepared to stay as long as needed. Bring chairs and a lunch if you desire.

– **Poster Contest**

Theme is “**Any topic found in the rabbit resource book or cavy resource handbook**”. Illustrate and explain what you have learned. Explain in a way so the public will learn about your selected specie or species. This contest is open to any rabbit or cavy participant. Turn in your poster at skill-a-thon and showmanship judging. Use a standard size poster. Awards will be given in the following age divisions: 8-11 yrs, 12-14 yrs, 15 and up. Posters will be displayed in the rabbit and cavy barn during the fair. Put your name and age division on the back of your poster. Awards will be; \$10 first place and \$5 for second place in each age division rabbits and cavy.

Costume Contest

Will be held Saturday afternoon at 3:00PM. Watch website for rules and categories. Prizes will be awarded. Both rabbit and cavy members can participate. Sign up in the rabbit barn at the 4-H desk. Example categories—Best Look Alike, Prettiest, Most Original, Funniest. There will be an Overall Costume Contest Winner selected. Will be held in outside poultry tent.

Scavenger Hunt

Will be held on Friday during the fair from 9am-8pm. Stop at the 4-H desk and pick up your Scavenger hunt item list. Search around the rabbit barn to find the items or correct answers for the list. Turn in the sheet at the 4-H desk when you have completed it.

This is a fun way to learn some rabbit and cavy knowledge. Open to all youth.

-- Pen Assignment

Pens in the rabbit and cavy barn are assigned. Be sure to check in with the junior fair show secretary to get your pen assignment. Pen assignments are sometimes available the weekend before the fair when the barn is open for decorating.

- Decorations

Decorations are allowed and encouraged in the rabbit and cavy barn for the Barn Stall Decoration Contest. Check with the Junior Fair Rabbit and Cavy Committee to see where you are permitted to decorate for your club.

- Coop Set-up

Pine shavings will be provided (**Thanks to TSC**) for your use in your animals' pen. You may choose to bring your own bedding as well. You will need to bring cleaning utensils from home to clean your animals' pen daily. A wheelbarrow is provided for your use. Bring your own food and water bowls and any other objects that will make your animal feel more at home. Make sure your bowls will not flip over easily.

- Food and Water

You must provide your own food for your animals. City water is provided at the fairgrounds (sometimes rabbits will get sick because they are not use to city water). For this reason, you may wish to bring your own water from home on a daily basis. Bring bowls that are the proper size for your animals, **Especially Meat pens and single fryers. Rabbits must have water at all times**

- Care of Your Animal While at the Fair

- It is your responsibility to take care of your animals daily while at the fair. If you are unable to take care of your animal on a particular day, you must arrange for someone else to do so.
- You must keep your animals' clean while at the fair. You will need your own cleaning utensils. The waste from your animals' pen may be thrown in a wheelbarrow (not in a trash can) and hauled to the manure pit across from the steer barn. Return the wheelbarrow to the rabbit and cavy barn when finished with it. Cleaning the animals' pen is the job of the youth- not the parents.
- Once you clean your animal's pen you ask a committee member to check the pen.
- **PEN CLEANING MUST BE DONE DAILY.** Pens are checked and if found dirty a committee member **WILL** place a note on your pen to see a committee member. You will forfeit your premiums if pens are not kept clean.
- **Herdsmen awards will be passed out this year for those who do a good job keeping their animals' pens clean during the fair.**

-- **Rabbit and Cavy Barn Care**

- Please keep the aisles in the barn clean. There are brooms located throughout the barn so be sure to sweep the barn when it is not too busy.

- **Rabbits need to remain inside the barn.**
