Comments/Concerns/Questions from those in attendance:

- The Treasurer presented a gate report for September 2nd.
- Caught the ground hog who was helping himself in the grange.
- Church service this morning went well.

- Draft Horse show was a success. We received compliments from both the RingMan and Judge on the quality of the show and animals.
- Community One would like to be the water sponsor for next year.
- Tractor Pulls went well. We had a great line up both nights.
- Make sure use the radios in the evening, we are having cellular network issues. When the crowds increase, the traffic on the network increases and slows down or doesn't work at all.
- Issue with someone giving mounted rides in the Horse Barns. Need signs addressing this "No Mounted Rides are to be given. Per order of SCAS".

- Next year we need to look int drop off for the flower shows. Complaints over delivery for the 2nd show, that it was too far of a walk.
- The shower trailer is fixed and in working order now.
- If you find yourself free in the evening times, please help with parking.

Motion 23-189: Jill S. motioned to adjourn the meeting. Cindi V. seconded the motion with all voting yes.
