- Color (20 points) - The natural color of the hair: multi-color blending, natural lightening or greying, vibrancy, consistency, or variation.
- Style & Presentation (20 points): Does the mullet style fit the individual? Does it complement the individual's overall style?
- Quality (15 points) - The mullet haircut's graduation, taper, angle, and thickness. The grooming (fly away hairs), sheen, and symmetry of the hairstyle.
- Dazzle (15 points) - During the competition, you may earn up to 25 more points through dazzle, how you portray yourself and your hairstyle, through costume and stage presence. The judges will be looking for individuals whose hairstyle reflects their personality, hair personality, and costume personality.
- Audience (10 points) - Strut your stuff, show your attitude! Your 30-second stage walk can make or break you here! Hair flips and stare-downs are encouraged!
